What this . . .

Furniture Catalogue

. . . Means to You

We want to introduce you to this our latest
Furniture Catalogue

It is the best Catalogue we know how to make.

We believe it will be found the best Furniture
Catalogue in these States

We have made it the best from both your stand-
point and ours. You want it to tell the truth in
illustrations and descriptions. We want it to sell goods

It will do both

It has cost us some hundreds of pounds to pro-
duce. But it will pay us back by making more friends
for us—by increasing our trade—by adding to our
prestige in every town and village in New South Wales.

This Catalogue means a lot to You.

It means the bringing of the store to you, for
you can buy from its pages as easily, as safely, and

receive your goods as promptly as if you selected them personally at our store.

It tells you everything about the goods that a bright Salesman would tell you. Its illustrations are faithfully drawn; its descriptions are honest; its prices are absolutely the lowest we know how to quote.

Price is a vital feature of the present Catalogue.

For over forty years we have sold furniture with one great point everlastingly before us—Price.

We are never undersold—Never.

That's one thing we pride ourselves on—one thing that carries this store onwards and upwards—one thing that keeps the flag of Commercial Supremacy flying over our heads—one thing that **You** can rely on—

We shall Never be Undersold.

We guarantee to show you 10% in the £ on every article you buy, whether you come to our store or order by mail.

The "Bebarfald" quality is about the well known to most one circumstance that our low prices do not in any way affect it. We mention here how the price list we submit you now will let even that quality be never exceeded.
